

## **Instant Underwriter is your comprehensive marketing system using one window, one tool.**

---

**Instant Benefits Network** is excited to present ***Instant Underwriter***, our online broker-to-client enrollment tool. We understand the time and resources required to efficiently change or renew carriers. Instant Underwriter is your solution to streamline the marketing process. It is now even easier for you to receive and deliver employee applications to insurance companies for proposal requests. Groups complete and print multiple health applications using a single online process. Applications are legible and complete enabling faster, more accurate quotes while also cutting down renewal time.

### **Advantages & Features:**

- ▶ Census Upload & Export feature - the Export feature allows you to create a census spreadsheet from your system to use for marketing purposes. No more manual entry of employee data!
- ▶ Each employee fills out only **one** health questionnaire for themselves and their family members!
- ▶ Brokers can access & print applications for employees.
- ▶ Multiple built-in security features to protect employee enrollment and health information.
- ▶ Website system is 100% HIPAA compliant.

### **Complimentary Products & Services:**

- ▶ Instant Apps – populate a variety of selected forms from dental applications to federal W4 forms with employee information from our system’s continuously expanding online library.
- ▶ Instant Enroll Suite – Instant Apps and Instant Underwriter all-in-one package. Give employees access to the online application *and* plan administrators an online manager to maintain employee records, print forms from their own custom library, and more.
- ▶ Client Website Builder – our online template system allows you to build custom benefit websites for clients to view benefit info and access other important resources.
