

Scottsdale Healthcare University

Individuals who pride themselves on expanding their horizons expect their place of employment to support career development and lifelong learning. Scottsdale Healthcare takes this concept to a new level with ***Scottsdale Healthcare University***.

By bringing training opportunities on campus from a multitude of sources, Scottsdale Healthcare gives staff members a fully integrated and extremely flexible approach to continuing education. Options vary from on-site classes led by area colleges and universities to online modules that allow for at-home learning. Depending on the course of study, staff can be eligible for tuition assistance, upfront tuition, and even tuition loan repayment programs.

A partial list of programs in this “university without walls” includes:

- Healthstream—Internet-based learning platform which allows staff members to work at their own pace. New modules being added all the time including all CCRN coursework.
- Harvard ManageMentor Plus
- English as a Second Language (ESL)
- Healthcare Leadership Academy
- DDI communications training
- Competency Plus tracking system
- Departmental training activities throughout Scottsdale Healthcare
- Nursing Professional Education activities and programs, including SHINE
- Scottsdale Healthcare Institute for Nursing Education and Advancements in Nursing Care
- Scottsdale Healthcare/Scottsdale Community College Associates Degree in Nursing
- Scottsdale Healthcare/University of Phoenix MSN program
- Scottsdale Healthcare/Maricopa County Community College District OR training program
- Scottsdale Healthcare/Arizona State University partnership for the BSN program
- Scottsdale Healthcare/Grand Canyon University BSN program
